

# WORLD CLIMATE & LA GALERIE SUMMIT

THE BUSINESS AND INVESTMENT FORUM DURING COP23

EXHIBITION OF LOW-CARBON SOLUTIONS DURING COP23

 WORLD CLIMATE LTD

 Reed Expositions
14 > 16<sup>TH</sup> NOVEMBER 2017 - KAMEHA GRAND, BONN - GERMANY

## THE GLOBAL PLATFORM FOR CLIMATE PROJECTS

Join us in creating strategic partnerships that will merge finance, technology and markets into solutions needed to deliver on the national climate plans and other low-carbon projects. Based on a unique composition of summit, exhibition and match-making, this three days forum will complement UNFCCC's COP negotiations and the Global Climate Action Agenda as the place to foster transformational collaboration across business, finance government and civil society.

## PARTNERSHIPS FOR THE IMPLEMENTATION OF THE PARIS AGREEMENT

World Climate Summit & La Galerie by WE 2017 aims to promote a platform for business-driven solutions to climate change, advance the low-carbon and resource-efficient marketplace, unlock finance and facilitate the development of Public-Private Partnerships (PPPs). This year's forum intends to:

- Provide the leading platform for investments and PPP matchmaking on climate projects
- Apply a bottom-up approach to the design, planning and implementation of low-carbon projects
- Showcase country leadership, investment plans and business-driven solutions to projects
- Overcome barriers of collaboration across sectors and industries

World Climate Summit & La Galerie by WE 2017 will consist of:

### CONFERENCE

World Climate Summit will provide keynote presentations, plenaries, panel discussions, workshops, detailed PPP sessions and TED-style talks with high-level representatives from business, finance, government and civil society

### EXPO

La Galerie by WE will showcase pioneering solutions and initiatives in a dedicated exhibition space at the heart of the venue

### MATCHMAKING

The premier platform for PPPs on climate projects following the implementation of NDCs in accordance with the Paris Agreement

## COLLABORATIVE PLATFORM FOR BUSINESS-DRIVEN SOLUTIONS AT THE COP

World Climate Summit & La Galerie by WE 2017 will take place 14-16th November 2017 during the second week of the COP23 negotiations at the Kameha Grand Bonn. The event will be held in the heart of Europe's leading renewable energy market, Germany, providing unparalleled opportunities for state and non-state actors to build strategic partnerships across sectors and industries.

### BENEFITS

- Tap into investment opportunities and strategic project development and cross-sector collaboration
- Position your organisation within the green technology and renewable energy markets in the EU, emerging economies and beyond
- Demonstrate your climate leadership and green solutions to the most prominent international leaders at the COP
- Scale ideas through strategic matchmaking with relevant businesses, investors and governments
- Communicate your climate solutions to international, European and social media

### PARTICIPANTS

World Climate Summit & La Galerie by WE 2017 will gather the global top 500+ climate leaders across government, business, finance and civil society:

- Government leaders such as presidents, ministers, mayors, negotiators and experts
- A large number of CEOs and deal-makers who attend for business and partnership opportunities
- CEOs from financial institutions such as commercial banks, pension funds, sovereign wealth funds and international development banks
- Top-level representation from major interest and advocacy groups

Since 2010, WCL has established itself as the foremost international platform for solutions to climate change and accelerating the green economy. It works with government, finance, business and the civil society in creating growth, innovation and solutions for a low-carbon and resource-efficient world.

Delivering contacts, content and communities with the power to transform your business. As the world's leading events organiser, with a unique network of offices and international sales promoters, our market reach is extensive: in 2015 over 7 million participants attended our events. Reed Expositions has a growing portfolio of over 500 events in 43 countries, including trade and consumer exhibitions, conferences and meetings, ranging across 20 industry sectors.
